HOW TO ASSIST SA Furniture Removals (Pty) Ltd

Packing & Pre Move Services

Before SA Furniture Removals enter the house we can have the house organised for packing by working with the client if the client arranged this with their transport coordinator. SA Furniture Removals packers can assist a day or two before packing day to prepare the house for the move. Our experienced staff can help make all the difference in assisting you to prepare your home for moving.

- The client is requested to make sure the pantry is clean and items being packed are sealed and closed, sorting the pantry by disposing of "use by date" items, placing open packages into plastic containers.
- Sorting and preparing rooms for different destinations such as a storage facility, and your new home you re relocating to.
- Goods and appliances including refrigerator, freezer, coffee maker, microwave, food processor etc. cleaned and prepared for moving (plus point to have original boxes of appliances).
- Preparing a breakfast or lunch box with tea, coffee, cups and bowls, cutlery, cereal, bread, jam, toaster, kettle.
- Preparing essentials box including remote controls, keys etc.
- Preparing playrooms and children's rooms by sorting, books, games. Make sure all small toys are in a box.
- First night survival box prepared with linen, towels, medications, and toiletries, clothes for the next day, pet food, lead and phone charger, special toy.
